THE MINISTER OF PLANNING AND THE MINISTER OF PROGRAMME IMPLEMENTATION (SHRI MADHAVSINH SOLANKI): (a) and (b) Yes, Sir. Central Govt. projects each costing over Rs. 20 crores are being monitored through the quarterly reporting system. Of these, the projects each costing over Rs. 100 crores are intensively monitored through monthly Flash Report system.

(c) to (e) Depending on the project cycle time, the targets for completion and commissioning are fixed. Government constantly reviews the implementation status of each of the project and takes appropriate follow up measures which include—

—Issue of directions for ensuring continuity of tenure of project head until the completion of the proejcts and 2-3 years beyond to ensure accountability for implementation.

—Indepth periodical review of progress of project by administrative Ministries and constant pressure on project authorities for expeditious completion.

—Emphasis on realistic project implementation plan.

—Close follow up by concerned Ministries and project authorities with State Governments, equipment suppliers, contractors, consultants and other concerned agencies to minimise the delays.
